STAGE PLOT AND TECH REQUIREMENTS

Front of Stage. Audience standing here.

1. Marco Lago - Lead Vocal: Sennheiser wireless mic, direct to board from vocal effects rack (just need dry signal from house, singer controls effects) will only need XLR cable to his phantom powered DI box. Also, IEM mix

2. Dusty Dunkle - Guitar/backing vocals: Marshall head and 4x12 cab, need to mic it. No IEM

3. Mike Farnsworth - Bass: Direct to board from bass DI, will only need an XLR cable. Also, IEM mix

4. Paul Davis - Drums: Kick, snare, 3 rack toms, 2 floor toms, steel drum and Alesis pad. No IEM

Please provide ambient room mic for IEMs. No trax or click. Being a Jane's Addiction tribute, please use fog/haze and moody and/or dynamic lighting throughout show. Thank you!
